Q

Snake Game 2.0

Score = 11

The play area is a green square with a brown border. A snake, represented by a black dot with a green leaf, is positioned in the center. It has a long horizontal body segment to its left and a long vertical segment below it, forming an L-shape. A red fruit with a green leaf is located near the snake's head, and a purple fruit with a green leaf is located to the right of the snake's vertical segment.
